

Introducing lumafirm™ Lift & Glow

Discover a revolution in firming, lightening, and brightening skincare and recapture youthful radiance!

Step **1** Lift, Glow, and Go...with the lumafirm™ Freeze-Dried At-Home Intensifier. Obtain dramatic results with this first-ever, one-of-a-kind treatment. As an initial step, this cutting-edge technology delivers concentrated actives to intensify immediate performance.

Step **2** Bring on visible radiance...with the lumafirm™ Repair Cream Lift & Glow. This powerhouse cream works deeply and quickly, infusing your face, neck, and décolleté with the best anti-free radicals, the latest generation of repairing peptides, and outstanding lightening actives.

BENEFITS

- Anti-aging • Immediately brightens • Firms and tightens
- Lightens and refines skin texture • Repairs and redefines facial contour

Seeking a treatment with amazing instant results?

Ask your skincare specialist about this treatment today! Featuring the latest in freeze-dried technology and delivering both instant and cumulative benefits, it is ideal for any skin type showing signs of aging, or as the perfect instant repair boost when you want to look your absolute best.

EXPERIENCE the revolutionary lumafirm™ for yourself. Visit our spa for a complimentary sample.

100%
Satisfaction

In a recent consumer trial, "100% of participants were satisfied with the immediate lightening effect and felt their complexion looked more uniformly smooth and visibly brighter".
