## 1 Mineral Wellbeing Facial Signature Ritual 90 mins \$165

This facial treatment is prescribed as an intensive boost for all skin types allowing hydration, tissue regeneration, energy balancing, detoxification & stress reduction. Combining deep cleansing and steam exfoliation, your skin begins to awaken, allowing for correction such as sensitivity, dehydration, premature skin aging, dryness & congestion.

This Ritual begins the cleansing process from cleansing, exfoliating, steaming, extractions, resurfacing and high frequency. A selection of customised ampoules, pure essential oil blends and rich multi-vitamin sea mineral creams are massaged into the decollete, neck and face. A pressure point massage is performed with an array of heated rocks that stimulates circulation, alleviate puffiness and will reduce puffiness and dark circles around the eyes.

A customised high performance mask, abundant in replenishing sea minerals, will finish this ultimate experience.

## 2 Mineral Wellbeing Body Signature Ritual 2hrs 10 mins \$299

Unlike any other spa treatment, the DE-AGING products allow for a holistic approach to recovery and energetic skin through the powerful release of negative ions. This unique formula infuses the skin with dehydrated sea water known for its most natural way to rehabilitate skin health and radiance. The skin submerges revived, ageless, refreshed, smoother, firmer and vividly brighter.

This treatment combines the benefits of a rhythmic full body dry brushing, salt brush exfoliation & hot stones and follow with a tropical Creme Fraiche Body Wrap drenched with astonishing concentrations of anti-oxidants & age-defying ingredients. The body is drenched with a De Aging Body Balm formulated to saturate the skin, delivering moisture for visco-elasticity and vital nutritional properties. Complete this glorious sensory escape with a 90 minute body massage.
